

**TULARE COUNTY PUBLIC LAW LIBRARY**  
**BILLING ACCOUNTS POLICY**  
**(Adopted 3/11/24)**

The Tulare County Public Law Library offers billing accounts to patrons who have current after-hours key card access to the law library. This service allows patrons a method to utilize certain library services without payment at the time of service (e.g. paying for copies or prints).

Accumulated charges to an account are invoiced every two months. Failure to pay within 30 days of the invoice date will result in a suspension of the billing account until the invoiced charges are paid in full.
