**Catching a Ride**

For your safety we recommend catching the bus at designated bus stops. You may board or leave the bus at any point along the route where the driver can make a safe stop. Wave or flag down the bus at a safe pullout location. For your convenience, you may call a day in advance to let us know you will be waiting for the bus somewhere other than a bus stop.

**Blended Paratransit**

To provide reasonable accommodation, Americans Disability Act (ADA)-eligible riders may request a route deviation pickup and/ or drop off if it is within ¼ mile of Routes 10 - 90. Reservations are required and may be made the day previous to the day when service is requested or up to fourteen (14) days in advance. Reservations will be accepted the day of the trip, provided that there is room in the day's schedule to accommodate them. The ADA route deviation fare is twice the regular fare. Curb-to-curb service is provided unless a request is made for door-to-door service.

**Transfers/Connections**

You may connect with other transit services in the cities of Dinuba, Porterville, Tulare, Visalia, Woodlake and Delano. Separate fares are required to board those systems, with the following exceptions: transfers to Visalia Transit Route 1 are free; transfers to TIME are accepted on TCaT Routes 20 and 40; transfers to Porterville Transit are accepted on Routes 40, 60, 70, 80 and 90. Transfers from other agencies accepted with additional fee.
