INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Honorable Members of the Board of Supervisors County of Tulare, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the County of Tulare (the County), as of and for the year ended June 30, 2018, and the related notes to the financial statements, which collectively comprise the County's basic financial statements, and have issued our report thereon dated December 27, 2018.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the County's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control. Accordingly, we do not express an opinion on the effectiveness of the County's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the County's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the County's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the County's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM, REPORT ON INTERNAL CONTROL OVER COMPLIANCE, AND REPORT ON THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS REQUIRED BY THE UNIFORM GUIDANCE

To the Honorable Members of the Board of Supervisors County of Tulare, California

Report on Compliance for Each Major Federal Program

We have audited the County of Tulare's (the County) compliance with the types of compliance requirements described in the U.S. Office of Management Budget (OMB) *Compliance Supplement* that could have a direct and material effect on each of the County's major federal programs for the year ended June 30, 2018. The County's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the County's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the County's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the County's compliance.

Opinion on Each Major Federal Program

In our opinion, the County complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2018.

Report on Internal Control over Compliance

Management of the County is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the County's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the County's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance to a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

We have audited the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the County, as of and for the year ended June 30, 2018, and the related notes to the financial statements, which collectively comprise the County's basic financial statements. We issued our report thereon dated December 27, 2018, which contained an unmodified opinion on those financial statements. Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the basic financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated in all material respects in relation to the basic financial statements as a whole.

NOTE 1 – GENERAL

The accompanying Schedule of Expenditures of Federal Awards presents the activity of all of the federal award programs of the County of Tulare, California (the County), for the year ended June 30, 2018. Federal awards received directly from federal agencies as well as federal awards passed through other government agencies are included in the schedule.

NOTE 2 – BASIS OF ACCOUNTING

Consistent with the County's method of filing federal financial reports, the accompanying Schedule of Expenditures of Federal Awards is presented using the modified accrual basis of accounting.

NOTE 3 – <u>RELATIONSHIP TO FEDERAL FINANCIAL REPORTS</u>

Information reported in the accompanying Schedule of Expenditures of Federal Awards is in substantial agreement with the information reported in related federal financial reports for the major federal programs.

NOTE 4 - OUTSTANDING LOANS OF FEDERAL FUNDS AS OF JUNE 30, 2018 AND 2017

The following schedule presents the amount of outstanding loans by CFDA No.:

CFDA No.	Federal Grantor	County Department Administering Loans	Outstanding Balance at June 30, 2018	Outstanding Balance at June 30, 2017
14.228	CDBG	Resource Management Agency	\$ 3,724,347	\$ 3,786,708
14.239	HOME	Resource Management Agency	7,694,102	7,626,556
			\$ 11,418,449	\$ 11,413,264

NOTE 5 - INDIRECT COST RATE

The County has elected to use the 10 percent de minimus indirect cost rate allowed under the Uniform Guidance for some federal grants.

NOTE 6 – AMOUNTS PROVIDED TO SUBRECIPIENTS

The County has provided federal awards to various subrecipients. For the year ended June 30, 2018, amounts provided to subrecipients from each federal program are as follows:

COUNTY OF TULARE STATUS OF PRIOR YEAR FINDINGS AND QUESTIONED COSTS FOR THE YEAR ENDED JUNE 30, 2018

SECTION II – FINANCIAL STATEMENT FINDINGS

2017-001 Understatement of Liabilities

During the financial statement audit, we considered the following deficiency in internal control to be a material weakness:

Condition:

During the search for unrecorded liabilities test-work, we noted 11 out of 57 items that should have been accrued for the fiscal year 2016-17 were not accrued and that aggregated to \$8.07 million.

Criteria:

Per accounting principles generally accepted in the United States of America (GAAP) and Governmental Accounting Standards, the transactions occurring before year-end that are paid after year-end should be accrued properly for the fiscal year being audited.

Cause of Condition:

Numerous transactions and weak internal control over recording liabilities at the department level. The Auditor-Controller's Office was not able to timely identify the unrecorded liabilities.

Potential Effect of Condition:

Understatement of the liabilities and expenditures/expenses in the County's current year financial statements.

Repeat Finding:

No.

Recommendation:

We recommend to set up a cut off day for liability accrual purpose, carefully review subsequent cash disbursement transactions against the Account Payable listing, and make sure to be in compliance with GAAP and Governmental Accounting Standards.

Management Response:

The Auditor-Controller's Office will work closely with County departments to ensure clear instruction is provided on how to correctly handle year-end procedures. Training for all department accountants will be provided by our office in the spring of 2018 and will address a variety of issues, including proper year-end accruals for accounts payable. Furthermore, in an effort to catch any unrecorded accruals, we will expand our search for unrecorded liabilities to include all funds. If unrecorded liabilities are found, departments will immediately be contacted and instructed to post necessary accruals.

SECTION III – FEDERAL AWARD FINDINGS AND QUESTIONED COSTS

2017-002

Program: Plant and Animal Disease, Pest Control, and Animal Care
CFDA No.: 10.025
Federal Agency: U.S. Department of Agriculture
Passed-Through: California Department of Agriculture
Award Number: 16-0587-SF
Award Year: Fiscal Year 2016-17
Compliance Requirement: Allowable Costs/Cost Principles, Control Activities
Questioned Costs: \$0

Criteria:

Per cost principles of the Uniform Guidance, the expenditures used in the program should be properly accountable.

Condition:

During our payroll testing, we noted that 3 employee time cards out of 21 samples tested were not approved by a supervisor as required by the California Department of Food and Agriculture.

Cause:

Lack of oversight by the supervisors.

Context and Effect:

The County risks noncompliance with the Uniform Guidance.

Questioned Costs:

None.

Repeat Finding:

No.

Recommendation:

The County should consider implementing stronger internal controls to ensure that all timecards are properly approved.

Views of Responsible Officials of the Auditee and Corrective Action Plan:

Management concurs with the recommendation and will implement proper supervision upon the approval of time cards.
