Mr. Cass Cook, Finance Director
City of Dinuba
405 East El Monte Way
Dinuba, CA 93618

Dear Mr. Cook:

Subject: Long-Range Property Management Plan

Pursuant to Health and Safety Code (HSC) section 34191.5 (b), the City of Dinuba Successor Agency (Agency) submitted a Long-Range Property Management Plan (LRPMP) to the California Department of Finance (Finance) on November 5, 2015. The Agency subsequently submitted a revised LRPMP to Finance on December 23, 2015. Finance has completed its review of the LRPMP, which may have included obtaining clarification for various items.

The Agency received a Finding of Completion on July 29, 2015. Further, based on our review and application of the law, we are approving the Agency's use or disposition of all the properties listed on the LRPMP.

However, the following error was noted during the review, but does not require a revised plan to be submitted:

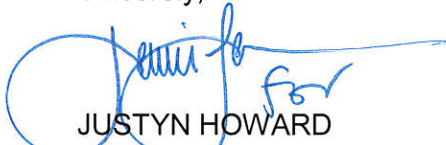

- Site No. 18 — This property includes Assessor's Parcel Number (APN) 071-141-010 for sale. However, the same APN was erroneously included for Site No. 9, identified for governmental use (on page 33 of the LRPMP narrative). Based on clarification received from the Agency, the permissible use approved for APN 071-141-010 is sale of property as set forth for Site No. 18.

In accordance with HSC section 34191.4 (a), upon receiving a Finding of Completion from Finance and approval of a LRPMP, all real property and interests in real property shall be transferred to the Community Redevelopment Property Trust Fund of the Agency, unless that property is subject to the requirements of an existing enforceable obligation. Pursuant to HSC section 34191.3 (a) the approved LRPMP shall govern, and supersede all other provisions relating to, the disposition and use of all the real property assets of the former redevelopment agency.

RESOLUTION NO. 2015 - 05__

A RESOLUTION OF THE OVERSIGHT BOARD OF THE SUCCESSOR AGENCY TO THE REDEVELOPMENT AGENCY OF THE CITY OF DINUBA APPROVING THE AMENDED LONG-RANGE PROPERTY MANAGEMENT PLAN PURSUANT TO CALIFORNIA HEALTH AND SAFETY CODE SECTION 34191.5

WHEREAS, the Redevelopment Agency of the City of Dinuba was dissolved February 1, 2012; and

WHEREAS, the Oversight Board for the Successor Agency to the Redevelopment Agency of the City of Dinuba ("Oversight Board") has been established pursuant to Health and Safety Code ("HSC") § 34179 to assist in the wind-down of the dissolved redevelopment agency; and

WHEREAS, the Oversight Board to the Successor Agency to the Redevelopment Agency of the City of Dinuba (the "Oversight Board") has been established pursuant to HSC § 34179 to assist in the wind-down of the dissolved redevelopment agency; and

WHEREAS, on July 29, 2015, the Successor Agency received its Finding of Completion (the "FOC") from the California Department of Finance (the "DOF") pursuant to HSC Section 34179.7; and

WHEREAS, after receiving an FOC, HSC § 34191.5(b) requires the Successor Agency to prepare a Long-Range Property Management Plan ("LRPMP") to address the disposition and use of the real property assets held by the Successor Agency; and

WHEREAS, in accordance with HSC § 34191.5, on October 27, 2015, the Successor Agency approved its LRPMP, which identifies the disposition and uses of Successor Agency properties including, but without limitation, the use of land sale proceeds as more particularly described in HSC 34191.5(c)2; and

WHEREAS, on November 3, 2015, the Oversight Board also approved the LRPMP, which was thereafter submitted to DOF for review; and

WHEREAS, on December 16, 2015, DOF notified the Successor Agency that DOF's approval of the LRPMP would be contingent on the Successor Agency amending its LRPMP to reclassify a portion (APN 017-141-010) of site No. 9 (the Dinuba Entertainment Park) from "government use" to category to the "sell" category; and

WHEREAS, consistent with DOF's request, the LRPMP has been amended and a copy of the Amended LRPMP is attached to this Resolution as Exhibit "A"; and

WHEREAS, once the Amended LRPMP is approved by the Oversight Board, it will be submitted to DOF for consideration of final approval; and

WHEREAS, once the Amended LRPMP has been approved by the DOF, the Successor Agency may act upon its implementation; and

WHEREAS, consistent with the applicable provisions of the HSC, it is recommended that the Oversight Board approve the attached Amended LRPMP; and

WHEREAS, all of the prerequisites with respect to the approval of this Resolution have been met.

NOW, THEREFORE, BE IT RESOLVED by the Oversight Board for the Successor Agency to the Redevelopment Agency of the City of Dinuba, as follows:

Section 1. The foregoing recitals are true and correct and are a substantive part of this Resolution.

Section 2. The Amended Long-Range Property Management Plan attached to this Resolution as Exhibit "A" is hereby approved.

Section 3. Successor Agency staff is hereby authorized and directed to transmit the Amended Long-Range Property Management Plan to the California Department of Finance and to take such actions and execute such documents as are necessary to implement the Amended Long-Range Property Management Plan and to effectuate the intent of this Resolution.

Section 3. This Resolution shall take effect upon the date of its adoption.

The City of Dinuba (the “City”), incorporated in 1906, is the 5th largest municipality by population in Tulare County, and is part of the Visalia Metropolitan Statistical Area. The City spans approximately 6.5 square miles. As of January 1, 2015, the California Department of Finance (the “DOF”) reports the City’s population to be 23,966.

The Former Redevelopment Agency of the City of Dinuba (the “Agency”) was organized in 1984, pursuant to § 33000 *et seq.* of the California Health and Safety Code (the “HSC”) and was responsible for the administration of redevelopment activities within the City. The governing board of the Agency was composed of the five members of the City Council.

Dissolution of Redevelopment Agencies

Trailer bills ABx1 26 and ABx1 27 were signed by the Governor of California on June 28, 2011, making certain changes to the HSC, including adding Part 1.8 (commencing with § 34161) (“Part 1.8”) and Part 1.85 (commencing with § 34170) (“Part 1.85”) to Division 24 of the HSC. The California Redevelopment Association and League of California Cities filed a lawsuit in the Supreme Court of California (*California Redevelopment Association, et al. v. Matosantos, et al.* (Case No. S194861)) alleging that ABx1 26 and ABx1 27 were unconstitutional. On December 29, 2011, the Supreme Court issued its opinion in the *Matosantos* case largely upholding ABx1 26, invalidating ABx1 27, and holding that ABx1 26 may be severed from ABx1 27 and enforced independently. The Supreme Court generally revised the effective dates and deadlines for performance of obligations under HSC Part 1.85 arising before May 1, 2012 to take effect four months later while leaving the effective dates or deadline for performance of obligations under HSC Part 1.8 unchanged. Consistent with the applicable provisions of the HSC, the City Council elected to serve in the capacity of the Successor Agency to the Community Redevelopment Agency of the City of Dinuba (the “Successor Agency”).

Further, on June 27, 2012, the Governor signed budget trailer bill AB 1484 into law, resulting in further procedural and substantive changes to the duties of and procedures to be followed by successor agencies, oversight boards, county auditor-controllers and the California Department of Finance (the “DOF”). This includes, but is not limited to, the manner in which the Successor Agency disposes of real property assets. Specifically, AB 1484 added HSC § 34191.5 which requires the Successor Agency to prepare a Long Range Property Management Plan (the “LRPMP”) as a prerequisite to the disposition of real property assets.

Long Range Property Management Plan

Per the applicable provisions of the HSC, no later than six (6) months after a successor agency receives its Finding of Completion from the DOF (per HSC § 34179.7), the Successor Agency must submit its LRPMP to the Oversight Board and the DOF for approval. The LRPMP must include an inventory (with specified information) about each property, and address the use or disposition of each property. Permitted uses for the property pursuant to AB 1484 include:

1. Retention of the property for governmental use;
2. Retention of the property for future development;
3. Sale of the property; and
4. Use of the property to fulfill an enforceable obligation.¹

Upon DOF’s approval of the LRPMP, the properties are to be placed in a Community Redevelopment Property Trust Fund administered by the Successor Agency in accordance with the approved LRPMP. If the LRPMP plan calls for use or liquidation (sale to obtain revenues) of a property for a project identified in an approved redevelopment plan, that property is to be transferred to the sponsoring community for that purpose. If the LRPMP calls for the liquidation of the property or use of revenues from the property for purposes other than a project identified in a redevelopment plan or other than to fulfill an enforceable obligation, the proceeds from the sale are to be distributed as property taxes to the taxing entities. A general outline of real property disposition procedure is included as Exhibit “A.”

¹ HSC § 34191.5 (c)(2))

This LRPMP was prepared in compliance with those pertinent sections of the HSC that govern the LRPMP's prerequisites, content, and approval process. For ease of review, the pertinent sections of the HSC are included in Exhibit "B."

The Successor Agency received its Finding of Completion from the DOF on July 29, 2015 (Exhibit "C"). The LRPMP was approved by Resolution of the Successor Agency Board on October 27, 2015 (Exhibit "D") and approved by Resolution of the Oversight Board on November 3, 2015 (Exhibit "E").

The Amended November 2015 LRPMP was approved by Resolution of the Oversight Board on December 21, 2015 (Exhibit "E").

II. Long-Range Property Management Plan Property Inventory Data

The Successor Agency has jurisdiction over 43 parcels grouped into 18 sites (the “Properties”), all of which are located within the boundaries of the City and subject to the provisions of the Agency’s Project Area Redevelopment Plan and any subsequent mergers and amendments, the Agency’s Five-Year Implementation Plan 2005-2010, the City’s General Plan, Municipal Code and land use regulations, and related Specific Plans.

III. Property to be Transferred for Governmental Use

Site No. 1 – Dinuba Police Community Service Office

Address: 168 S. “L” Street
APN: 017-122-011

- A. **Permissible Use (HSC § 34191.5 (c)(2)):**
Site No. 1 is the Dinuba Police Community Service Office (the “Police Service Office”) and is proposed to be transferred to the City of Dinuba, at no cost, for governmental use pursuant to HSC § 34181 (a).
- B. **Acquisition of Property (HSC § 34191.5 (c)(1)(A) and § 34191.5 (c)(1)(B)):**
Property records indicate that the Police Service Office was acquired by the Agency in August 1999, and carries a Book Value of \$70,000. The Police Service Office was acquired in order to meet the revitalization goals of the City and the Agency to alleviate the existence and spread of physical and economic blight. The estimated current value (the “ECV”) of the Police Service Office is \$1.00.

The Entertainment Park Plaza was acquired in order to meet the revitalization goals of the City and the Successor Agency to alleviate the existence and spread of physical and economic blight. The estimated current value (the “ECV”) of the Entertainment Park Plaza is \$1.00.

Site No. 9: Dinuba Entertainment Park Plaza

C. Site Information (HSC § 34191.5 (c)(1)(C)):

The Entertainment Park Plaza consists of seven (7) parcels (APNs: 017-141-007, -010, -014 and 017-144-009, -003, -004, -005) totaling 1.38 acres and located at 220 and 289 S. “L” Street and 288 S. “M” Street. These parcels are part of a larger land assembly project that will expand the use and development of the Entertainment Park Plaza into an area of the City that will concentrate on community entertainment venues. The Entertainment Park consists of two facilities: (i) the Park Plaza; and (ii) two (2) non-contiguous public parking lots. The Entertainment Park Plaza currently consists of a public park plaza, skate park and parking lots, and privately owned movie theater, bowling alley, restaurants and museum. The Successor Agency owns and maintains the public: (i) parking lots – one paved lot and one dirt lot; (ii) Skate Park; and (iii) park plaza grounds.

The Entertainment Park Plaza is located in the City’s Central Business District (the “CBD”) and is zoned Downtown Commercial District (C-2) and General Commercial District (C-4). The CBD designation is a section of the city which is the principal shopping, commerce area and focal point of many individual stores and businesses individually owned and/or operated. The C-2 land use designation applies to the commercial core of the city, as may be designated by the general plan. These areas constitute the primary commercial district of the community where a wide range of retail, financial, governmental, professional, business service and entertainment activities and uses are encouraged to concentrate to serve the entire community. The C-4 land use designation applies to establishments engaged in servicing equipment, materials and products, but which do not require the manufacturing, assembly, pack-aging or processing of articles or merchandise for distribution and retail sale. Land requirements for most general commercial uses generally dictates its application along arterial streets of the city which generally lie close to central commercial and industrial districts.

D. Estimated Current Value (HSC § 34191.5 (c)(1)(D)):

Since no fees are charged for the use of the park plaza, or the parking lots of the Entertainment Park Plaza, the Successor Agency has determined the ECV to be \$1.00.

E. Site Revenues (HSC § 34191.5 (c)(1)(E)):

There are no site revenues generated from the Entertainment Park Plaza.

F. History of Environmental Contamination ((HSC § 34191.5 (c)(1)(F)):

APN 017-144-009¹¹

In June 2003, a Phase-I Environmental Assessment was completed. As a result, an underground storage tank was located and removed; the tank had not bottom. Spoil contamination was detected and soil removal and sampling was initiated. In August 2003, a site assessment work plan was approved. In October 2003, drilling and soil sampling took place. After the assessment of the data, in January 2004, additional drilling and sampling was ordered/conducted. In January 2004, an Update Site Assessment Summary – 288 South “M” Street – Dinuba, California was prepared by Krazan & Associates, Inc. The report concluded and recommended the following:

¹¹ http://geotracker.waterboards.ca.gov/profile_report.asp?global_id=T0610725070

Site No. 9: Dinuba Entertainment Park Plaza

“Based on detectable concentration of PHCs in the January 5, 2004 down gradient groundwater sample, it appears groundwater has been impacted by the former UST contents. The lateral extent of impacted groundwater has not been defined and was not part of the scope of this updated site assessment. The nearest municipal water well is approximately 2,000 feet southwest from the site, and it does not appear at this time that PHCs from the subject site pose a threat to this well. Krazaan recommends additional groundwater assessment is conducted based on the TCDEHS [Tulare County Department of Environmental Health Services] and RWQCB [Regional Water Quality Control Board] review of this report.”

In March 2004, a groundwater assessment work plan was approved. In December 2007, with no funds available for assessment/monitoring/remediation and with the State Water Quality Control Board approval, the city decided not to implement to 2004 work plan and leave the site vacant for 20 year +/- and continue groundwater sampling until safe limits of contamination have been achieved.

In November 2013, Krazaan & Associates, Inc. prepared and submitted the June 2013 Second Semi-Annual Groundwater Monitoring Event Report. The TCEHSD approved the report and strongly encouraged the City to move toward site remediation with in situ air sparging with concurrent soil vapor extraction. In January 2014, Krazaan & Associates, Inc. submitted a Soil Vapor Extraction Pilot Test Work Plan to the TCEHSD. In late January, the TCEHSD approved the work plan. The City continues to search for grants in order to move the remediation and required continued monitoring forward.

IV. Property to be Transferred for Future Development

Site No. 13: Historic Strand Theatre

Address: 188 N. "L" Street
APN: 017-121-018

A. Permissible Use (HSC § 34191.5 (c)(2)):

Site No. 13 is the Historic Strand Theatre (the "Strand Theatre") and is proposed to be transferred to the City of Dinuba for future development (i.e., use as a government facility), at no charge, pursuant to HSC § 34191.5 (c)(2). The Successor Agency believes this use is fully consistent with the intent of HSC § 34181(a).

Site No. 13: Historic Strand Theatre

B. Acquisition of Property (HSC § 34191.5 (c)(1)(A) and § 34191.5 (c)(1)(B)):

Property records indicate that the Strand Theatre was acquired by the Agency¹⁵ and carries a Book Value of \$193,117. The Strand Theatre was acquired by the Agency in order to alleviate physical and economic blight. The estimated current value (the “ECV”) of the Strand Theatre is \$1.00.

C. Site Information (HSC § 34191.5 (c)(1)(C)):

The Strand Theatre consists of one (1) 0.26-acre parcel (APN 017-121-018). Located on the southeast corner of “L” and Fresno Streets at 188 NB. “L” Street, the Strand Theatre (known in later years as the State Theatre) opened for business on February 3, 1924. As one of the largest buildings in the City at the time, it has been a landmark ever since, although it has been vacant for a number of years. The Strand Theatre is a 10,000 sf multi-story theatre and was stripped of most tenant improvements by the former owner of the building prior to the Agency’s acquisition.

The Strand Theatre is zoned Downtown Commercial District (C-2). The C-2 land use designation applies to the commercial core of the city, as may be designated by the general plan. These areas constitute the primary commercial district of the community where a wide range of retail, financial, governmental, professional, business service and entertainment activities and uses are encouraged to concentrate to serve the entire community.

On March 8, 2011, pursuant to City Council Resolution 2011-12, the City of Dinuba approved the acquisition of real property from the Dinuba Redevelopment Agency. On March 27, 2012, pursuant to City Council Resolution 2012-20, the City of Dinuba approved the reversal of said acquisition. On March 27, 2012, pursuant to Successor Agency Resolution 2012-03, the Successor Agency accepted the transfer of real property from the City of Dinuba, thereby commencing the recovery process of the real property originally owned by the former Redevelopment Agency. Quitclaim deeds will be recorded by December 31, 2015.

D. Estimated Current Value (HSC § 34191.5 (c)(1)(D)):

To determine an ECV for the Strand Theatre, in September 2015, a comparable sales analysis was conducted by the Successor Agency in September 2015, through the National Data Collective.¹⁶ No comparable were located for the Strand Theatre. The ECV was determined to be \$1.00.

E. Site Revenues (HSC § 34191.5 (c)(1)(E)):

There are no site revenues generated from the Strand Theatre and the maintenance of the building and grounds is borne by the Successor Agency.

F. History of Environmental Contamination (HSC § 34191.5 (c)(1)(F)):

Site No. 13: Historic Strand Theatre

There is no potential for a TOD in conjunction with Strand Theatre.

The transfer of the Strand Theatre for future development to the City of Dinuba advances the planning objectives of the Successor Agency in accordance with the Agency's Five-Year 2005/2006 through 2009/2010 Implementation Plan that directs the Agency to rehabilitate the Strand Theatre.¹⁸ In addition to the Agency's Five-Year 2005/2006 through 2009/2010 Implementation Plan objective, the transfer of the Strand Theatre for future development to the City of Dinuba will provide (i) a perceivable reduction in blight through new construction and infrastructure; (ii) for the expansion of public facilities that support the community; (iii) public facilities located to efficiently serve the community and are compatible with surrounding land uses and to assure the least intrusive and most compatible integration of related buildings and facilities into the land use pattern of the community; and (iv) availability of sites for the development and expansion of City offices.

H. History of Previous Development Proposals and Activity (HSC § 34191.5 (c)(1)(H)):

There is no history of previous history of development proposal or activities in conjunction with the Strand Theatre.

I. Disposition of Property:

The Strand Theatre is proposed to be transferred to the City of Dinuba for governmental use pursuant to HSC §34181(a), at no cost to the City for the reasons stated above.

J. Implementation of the Long-Range Property Management Plan:

Following the approval of the LRPMP by the DOF, the Successor Agency will implement the LRPMP. The transfer of the Strand Theatre to the City of Dinuba will occur only after the LRPMP is approved by the DOF and at no cost to the City.

For property to be transferred to the City of Dinuba for future development, implementation will include securing an HSC § 34180 (f)(1) compensation agreement (the "Compensation Agreement") with the affected taxing entities prior to the transfer of the property to the City. The City will seek a Compensation Agreement with the affected taxing entities after the LRPMP is approved by DOF. The compensation due the affected taxing entities shall be governed by the Compensations Agreement.

017-280-020	Aug 2005	\$711,032	017-030-031

The Vacant Commercial / Industrial Property was acquired by the Agency in order to meet the revitalization goals of City and the Agency to alleviate the existence and spread of physical and economic blight. The estimated current value (the “ECV”) of the Vacant Commercial / Industrial Property is approximately \$522,676.

On March 8, 2011, pursuant to City Council Resolution 2011-12, the City of Dinuba approved the acquisition of real property from the Dinuba Redevelopment Agency. On March 27, 2012, pursuant to City Council Resolution 2012-20, the City of Dinuba approved the reversal of said acquisition. On March 27, 2012, pursuant to Successor Agency Resolution 2012-03, the Successor Agency accepted the transfer of real property from the City of Dinuba, thereby commencing the recovery process of the real property originally owned by the former Redevelopment Agency. Quitclaim deeds will be recorded by December 31, 2015.

C. Site Information (HSC § 34191.5 (c)(1)(C)):

The Vacant Commercial / Industrial Property consists of two (2) parcels (APNs: 017-280-002, -020) totaling 20.59 acres located on Surabian Drive approximately 1,500 feet east of Monte Vista Drive.

The Vacant Commercial / Industrial Property is located in the Light Industrial District (M-1) and General Commercial District (C-4). The M-1 land use designation applies to areas designated light industrial on the general plan for various types of less intense industrial plants and related activities. The C-4 land use designation applies to establishments engaged in servicing equipment, materials and products, but which do not require the manufacturing, assembly, pack-aging or processing of articles or merchandise for distribution and retail sale. Land requirements for most general commercial uses generally dictates its application along arterial streets of the city which generally lie close to central commercial and industrial districts.

D. Estimated Current Value (HSC § 34191.5 (c)(1)(D)):

To determine the ECV for the Vacant Commercial / Industrial Property, a comparable sales analysis was conducted by the Successor Agency in September 2015, through the National Data Collective. No comparable sales were located for properties zoned commercial and/or industrial. As a result, comparable sales were used for properties zoned agricultural. The ECV was determined to be approximately \$522,676.

Local factors were not taken into consideration in determining the ECV of this site. Therefore, the actual value of the property may vary significantly from the ECV. The ECV is only a rough

I. Disposition of Property:

The Successor Agency proposes to sell the Vacant Commercial / Industrial Property in accordance with the Successor Agency's policies and procedures for property disposition as shown in Exhibit "A" Section I. Purchase and Sale Procedures.

The ECV of the Vacant Commercial / Industrial Property is approximately \$1,668,169.

Date of estimated current value – September 2015

Value Basis – The ECV was determined by a comparable sales analysis using the National Data Collective subscription service. The ECV is approximately \$1,668,169.

Local factors that may affect land value were not taken into consideration. Therefore, the actual value of the property may vary greatly from the ECV. The ECV is only a planning number and should not be relied upon as a basis for actual value.

The Successor Agency will be in charge of the process seeking to achieve successful marketing of properties, and will act with reasonable diligence. However, the constraints and environment of AB 1484 militate against maximizing prices. The actual sales prices to be realized will be a function of what a willing buyer is willing to pay under circumstances where

there will be no seller financing and dispositions will be subject to Oversight Board approval. There is no reason to think that book values will be realized.

J. Implementation of the Long-Range Property Management Plan:

Following the approval of the LRPMP by the DOF, the Successor Agency will implement the LRPMP.

For properties to be sold, implementation will include distribution of any land sales proceeds for enforceable obligations and/or distributed as property tax to the taxing entities. Due to the vagaries associated with the sale of land, such as uncertainties concerning the timing of sale and the price that would be realized, it is not feasible to precisely state in the LRPMP how the funds will be used. In that regard, once an agreement is reached with respect to the purchase and sale of a property, the agreement will be presented to the Oversight Board for concurrence. The Oversight Board's approval will be evidenced by a resolution that will be submitted to DOF and, per the HSC, is subject to DOF's review. That resolution will include or refer to a staff report which describes with greater particularity, once more facts are known, how the proceeds of sale will be distributed. As noted in Section I – Introduction of the LRPMP, the LRPMP provides that proceeds of the sale may be used for enforceable obligations and/or distributed as property tax to the taxing entities through the County Auditor-Controller. The need to retain some or all of the proceeds of sale for enforceable obligations will depend on whether there is a short-fall in RPTTF in the ROPS cycle during which the escrow is anticipated to close. If a short-fall were to occur in the RPTTF at that time, then all or a portion of the sale proceeds should be used to fulfill an enforceable obligation with any remaining sale proceeds then distributed as property tax to the taxing entities through the County Auditor-Controller. If there is not a short-fall in RPTTF at the time of close of escrow, then land sale proceeds would be distributed as property tax to the taxing entities through the County Auditor-Controller in a manner described at the time of Oversight Board approval as to a particular property sale. Since it is impossible to foresee when and if a short-fall in the RPTTF may occur, or when the property will be sold, the use of the sale proceeds cannot be specifically determined at this time and, therefore, cannot be stated with greater particularity in the LRPMP. However, it is clear that at the time a sale takes place, the sale will be brought back to the Oversight Board and will be subject to review.

If a short-fall were to occur in the RPTTF at that time, then all or a portion of the sale proceeds should be used to fulfill an enforceable obligation with any remaining sale proceeds then distributed as property tax to the taxing entities through the County Auditor-Controller. If there is not a short-fall in RPTTF at the time of close of escrow, then land sale proceeds would be distributed as property tax to the taxing entities through the County Auditor-Controller in a manner described at the time of Oversight Board approval as to a particular property sale. Since it is impossible to foresee when and if a short-fall in the RPTTF may occur, or when the property will be sold, the use of the sale proceeds cannot be specifically determined at this time and, therefore, cannot be stated with greater particularity in the LRPMP. However, it is clear that at the time a sale takes place, the sale will be brought back to the Oversight Board and will be subject to review.

Site No. 18: Vacant S. “L” Street Commercial Property

Address: 220 S. “L” Street
APN: 017-141-010

- A. **Permissible Use (HSC § 34191.5 (c)(2)):**
Site No. 18 is the Vacant S. “L” Street Commercial Property (the “Vacant Commercial Property”) and is proposed to be sold by the Successor Agency.
- B. **Acquisition of Property (HSC § 34191.5 (c)(1)(A) and § 34191.5 (c)(1)(B)):**
The Vacant Commercial Property was acquired by the Agency in June 2010 and carries a Book Value of \$65,180.

The Vacant Commercial Property was acquired by the Agency in order to meet the revitalization goals of City and the Agency to alleviate the existence and spread of physical and economic blight.

Site No. 18: Vacant S. “L” Street Commercial Property

The estimated current value (the “ECV”) of the Vacant Commercial Property is approximately \$36,000.

C. Site Information (HSC § 34191.5 (c)(1)(C)):

The Vacant Commercial Property consists of one (1) 0.36-acre parcel (APN: 017-141-010) and is located at 220 S. “L” Street.

The Vacant Commercial Property is zoned Downtown Commercial District (C-2). The C-2 land use designation applies to the commercial core of the city, as may be designated by the general plan. These areas constitute the primary commercial district of the community where a wide range of retail, financial, governmental, professional, business service and entertainment activities and uses are encouraged to concentrate to serve the entire community.

D. Estimated Current Value (HSC § 34191.5 (c)(1)(D)):

To determine the ECV for the Vacant Commercial Property, a comparable sales analysis was conducted by the Successor Agency in September 2015, through the National Data Collective. The ECV was determined to be approximately \$36,000.

Local factors were not taken into consideration in determining the ECV of this site. Therefore, the actual value of the property may vary significantly from the ECV. The ECV is only a rough estimate planning number and should not be relied upon as a basis for actual value. The real value of the property cannot be determined without an appraisal.

E. Site Revenues (HSC § 34191.5 (c)(1)(E)):

There are no site revenues generated from the Vacant Commercial Property.

F. History of Environmental Contamination (HSC § 34191.5 (c)(1)(F)):

There is no history of environmental contamination or reports in conjunction with the Vacant Commercial Property.²⁴

G. Potential for Transit Oriented Development (TOD) and the Advancement of Planning Objectives of the Successor Agency (HSC § 34191.5 (c)(1)(G)):

There is no potential for a TOD in conjunction with Vacant Commercial Property.

Selling the Vacant Commercial Property advances the planning objectives of the Successor Agency and the City to develop and revitalize this area of the community through the creation of opportunities for private investment in the City.

H. History of Previous Development Proposals and Activity (HSC § 34191.5 (c)(1)(H)):

There is no history of previous development proposals and activity in conjunction with the Vacant Commercial Property.

I. Disposition of Property:

The Successor Agency proposes to sell the Vacant Commercial Property in accordance with the Successor Agency’s policies and procedures for property disposition as shown in Exhibit “A” Section I. Purchase and Sale Procedures.

The ECV of the Vacant Commercial Property is approximately \$36,000.

Date of estimated current value – November 2015

Value Basis – The ECV was determined by a comparable sales analysis using the National Data Collective subscription service. The ECV is approximately \$36,000.

Local factors that may affect land value were not taken into consideration. Therefore, the actual value of the property may vary greatly from the ECV. The ECV is only a planning number and should not be relied upon as a basis for actual value.

Proposed sale date – TBD and subject to the Successor Agency’s implementation of its policies and procedures for property disposition as shown in Exhibit “A.”

Proposed sale value – TBD and subject to a fair market appraisal conducted by a licensed appraiser.

The Successor Agency notes that in the environment of AB 1484, it may not be possible to achieve appraised values. The Successor Agency will be in charge of the process seeking to achieve successful marketing of properties, and will act with reasonable diligence. However, the constraints and environment of AB 1484 militate against maximizing prices. The actual sales prices to be realized will be a function of what a willing buyer is willing to pay under circumstances where there will be no seller financing and dispositions will be subject to Oversight Board approval. There is no reason to think that book values will be realized.

J. Implementation of the Long-Range Property Management Plan:

Following the approval of the LRPMP by the DOF, the Successor Agency will implement the LRPMP.

For properties to be sold, implementation will include distribution of any land sales proceeds for enforceable obligations and/or distributed as property tax to the taxing entities. Due to the vagaries associated with the sale of land, such as uncertainties concerning the timing of sale and the price that would be realized, it is not feasible to precisely state in the LRPMP how the funds will be used. In that regard, once an agreement is reached with respect to the purchase and sale of a property, the agreement will be presented to the Oversight Board for concurrence. The Oversight Board’s approval will be evidenced by a resolution that will be submitted to DOF and, per the HSC, is subject to DOF’s review. That resolution will include or refer to a staff report which describes with greater particularity, once more facts are known, how the proceeds of sale will be distributed. As noted in Section I – Introduction of the LRPMP, the LRPMP provides that proceeds of the sale may be used for enforceable obligations and/or distributed as property tax to the taxing entities through

Site No. 18: Vacant S. “L” Street Commercial Property

the County Auditor-Controller. The need to retain some or all of the proceeds of sale for enforceable obligations will depend on whether there is a short-fall in RPTTF in the ROPS cycle during which the escrow is anticipated to close. If a short-fall were to occur in the RPTTF at that time, then all or a portion of the sale proceeds should be used to fulfill an enforceable obligation with any remaining sale proceeds then distributed as property tax to the taxing entities through the County Auditor-Controller. If there is not a short-fall in RPTTF at the time of close of escrow, then land sale proceeds would be distributed as property tax to the taxing entities through the County Auditor-Controller in a manner described at the time of Oversight Board approval as to a particular property sale. Since it is impossible to foresee when and if a short-fall in the RPTTF may occur, or when the property will be sold, the use of the sale proceeds cannot be specifically determined at this time and, therefore, cannot be stated with greater particularity in the LRPMP. However, it is clear that at the time a sale takes place, the sale will be brought back to the Oversight Board and will be subject to review.

VI. Property to Fulfill an Enforceable Obligation

Site No. 19: Vacant El Monte Way Commercial Property

Address: El Monte Way
APNs: 014-063-034
014-063-035
014-063-036
014-063-037

A. Permissible Use (HSC § 34191.5 (c)(2)):

Site No. 18 is the Vacant El Monte Way Commercial Property (the “Property”) and per the “Agreement - Transfer of Real Property - County of Tulare to City of Dinuba Redevelopment Agency,” dated April 5, 2011, the Property is to be sold by the Successor Agency to Pablo M. and

Site No. 19: Vacant El Monte Way Commercial Property

Ana M. Contreras, private individuals (the “Buyer”), in order to fulfill an enforceable obligation pursuant to HSC § 34191.5 (c) (2).

B. Acquisition of Property (HSC § 34191.5 (c)(1)(A) and § 34191.5 (c)(1)(B)):

The Property was acquired by the Agency in April 2011 from the County of Tulare (the “County”) pursuant to the “Agreement - Transfer of Real Property - County of Tulare to City of Dinuba Redevelopment Agency,” (the “2011-Agreement”) dated April 5, 2011. In effect, the County transferred the Property to the Agency, at no cost to the Agency, with the provision that any future land sales proceeds would be returned to the County’s Measure “R” program. Therefore, pursuant to the 2011-Agreement, the Property is a financial asset of the County’s Measure “R” program. The Property carries a total Book Value of \$0.00. The following table details the property records:

<i>Acquisition Details of the Vacant Surabian Drive Commercial /Commercial Property</i>			
<i>APN</i>	<i>Acquisition Date</i>	<i>Book Value</i>	<i>Original APNs as Acquired by Agency</i>
014-063-034	April 2011	\$0.00	014-063-023
014-063-035			014-063-024
014-063-036			014-063-022
014-063-037			014-063-028

The Property was acquired by the Agency in order to meet the revitalization goals of City and the Agency to alleviate the existence and spread of physical and economic blight while jointly participating with the County of Tulare, and its Measure “R” program, to widen El Monte Way and obtain additional right-of-way. The estimated current value (the “ECV”) of the Property is approximately \$52,877.

C. Site Information (HSC § 34191.5 (c)(1)(C)):

The Property consists of four (4) parcels (APNs: 014-063-034, -035, -036, -037) totaling 0.53 acres located on the north side of El Monte Way, approximately 300 feet east of N. Arkona Avenue.

The Property is zoned General Commercial District (C-4). The C-4 land use designation applies to establishments engaged in servicing equipment, materials and products, but which do not require the manufacturing, assembly, pack-aging or processing of articles or merchandise for distribution and retail sale. Land requirements for most general commercial uses generally dictates its application along arterial streets of the city which generally lie close to central commercial and industrial districts.

The 2011-Agreement establishes that (i) the County shall convey to the Property to the Agency; (ii) the Agency will agree to work with the Buyers to purchase the property; (iii) the Agency agrees that all proceeds from the sale of the Property shall be used to further a Measure “R” regional road project; and (iv) the County shall retain a temporary construction easement over the Property.

D. Estimated Current Value (HSC § 34191.5 (c)(1)(D)):

To determine the ECV for the Property, a comparable sales analysis was conducted by the Successor Agency in September 2015, through the National Data Collective. The ECV was determined to be approximately \$52,877. However, it is the responsibility of the Successor

Site No. 19: Vacant El Monte Way Commercial Property

Agency, pursuant to the 2011-Agreement, to negotiate a selling price for the Property with the Buyer.

Local factors were not taken into consideration in determining the ECV of this site. Therefore, the actual value of the property may vary significantly from the ECV. The ECV is only a rough estimate planning number and should not be relied upon as a basis for actual value. The real value of the property cannot be determined without an appraisal.

E. Site Revenues (HSC § 34191.5 (c)(1)(E)):

There are no site revenues generated from the Property and, pursuant to the 2011-Agreement, all proceeds from the sale of the Property shall be returned the Measure “R” fund and used to further a Measure “R” regional road project within the City of Dinuba.

F. History of Environmental Contamination (HSC § 34191.5 (c)(1)(F)):

There is no history of environmental contamination or reports in conjunction with the Property.²⁵

G. Potential for Transit Oriented Development (TOD) and the Advancement of Planning Objectives of the Successor Agency (HSC § 34191.5 (c)(1)(G)):

There is no potential for a TOD in conjunction with Property.

To fulfill the enforceable obligation created by the 2011-Agreement advances the planning objectives of the Successor Agency and the City in that all proceeds from the sale of the Property shall be used to further a Measure “R” regional road project within the City of Dinuba.

H. History of Previous Development Proposals and Activity (HSC § 34191.5 (c)(1)(H)):

There is no history of previous development proposals or activity in conjunction with the Property other than the existing 2011-Agreement.

I. Disposition of Property:

Pursuant to the 2011-Agreement, the Successor Agency will sell the Property to the Buyer at a price still yet to be negotiated.

The ECV of the Property, as determined by the Successor Agency for LRPMP purposes only, is approximately \$52,877.

Date of estimated current value – September 2015

Value Basis – The ECV was determined by a comparable sales analysis using the National Data Collective subscription service. The ECV is approximately \$52,877.

Local factors that may affect land value were not taken into consideration. Therefore, the actual value of the property may vary greatly from the ECV. The ECV is only a planning number and should not be relied upon as a basis for actual value.

Proposed sale date – TBD and subject to the Successor Agency’s negotiations with the Buyer.

Proposed sale value – TBD and subject to the Successor Agency’s negotiations with the Buyer.

J. Implementation of the Long-Range Property Management Plan:

Following the approval of the LRPMP by the DOF, the Successor Agency will implement the LRPMP.

Pursuant to the 2011-Agreement, all proceeds from the sale of the Property shall be returned to the Measure “R” fund and used to further a Measure “R” regional road project within the City of Dinuba.

Exhibit A – Successor Agency/City Property Disposition Procedures

The following is only a general outline for the disposition of property by the Successor Agency. It is anticipated that the Successor Agency may from time to time adopt policies and procedures that are more specific during the implementation phase of the LRPMP.

I. PURCHASE AND SALE PROCEDURES

1. Post notice on Successor Agency website:
“All persons interested in receiving solicitations for the disposition of Successor Agency property please email xyz@cityofthefuture.org with your contact information and *“Purchase and Sale of Successor Agency Property”* in the Subject line.”
2. Successor Agency will provide written solicitations for the sale of its real estate assets, which may be a single parcel or a grouping of parcels (the “Property”). Such formal solicitations will include, but not be limited to:
 - a. APN(s)
 - b. Property location
 - c. Zoning
 - d. Acreage
 - e. Listing Price (The listing price shall either be (i) not less than fair market value under an appraisal procured by the Successor agency or (ii) another amount approved for such purpose by the Oversight Board)
 - f. Purchase Price shall be all cash at close of escrow, no seller financing.
 - g. Deadline to receive offers (prior to selection, offers are confidential)
 - h. Offer submittal guidelines:
 - i. All offers must be in writing (California Association of Realtor forms are acceptable);
 - ii. Successor Agency will provide courtesy to brokers equal to one-half of the customary commission if the ultimate buyer is represented by said real estate broker as buyer’s broker at the time the original offer is submitted.
 - iii. Provided that allowance of brokerage commissions will be subject to Oversight Board approval in each case and paid from the sale proceeds;
 - iv. Approval of each sale may be subject to DOF approval;
 - v. Type of financing identified (i.e., buyer’s cash, buyer’s loan proceeds, etc.);
 - vi. All buyers are to be listed – no silent partners; and
 - vii. Offers will be reviewed for conflict of interest between offeror and Successor Agency/City officials, staff and consultants.
 - i. Some properties for sale consist of multiple parcels. Only offers that include all parcels identified by Successor Agency on a particular site may be accepted, i.e., no less than whole purchases.
3. Method of Solicitations:
 - a. Property posting
 - b. Successor Agency website posting
 - c. Local real estate brokers
 - d. All persons requesting solicitations
 - e. Workshops and/or e-mail notifications
4. All property sales are in an “AS IS, WHERE IS” condition.
5. The Successor Agency will be reimbursed from the sale proceeds of the property for any costs related to the appraisal, escrow and title fees (cost of CLTA policy with premium based upon sales price), broker fees, and any other costs associated with the sale.
6. An offer may be rejected if it does not meet the Successor Agency’s price threshold. Acceptance of a purchase and sale offer is subject to approval of the Successor Agency’s Board of Directors.

7. The City shall have a right of first refusal in connection with the purchase of property. In the event a submittal is received, such right of first refusal may be exercised by means of the City: (i) notifying the Oversight Board and the party which made an offer (in either order) of the City's intention to acquire the property for monetary consideration in an amount equal to or greater than that offered by the offering party, and (ii) obtaining confirmation of such purchase by the Oversight Board.
8. The City shall have an option to purchase property based upon values agreed to by the Oversight Board. The option may be exercised as to one or more properties at a time or times of the City's choosing.
9. If the City determines that it is infeasible to otherwise market and dispose of certain properties, the Successor Agency may auction such property or properties at a time or times consented to by the Oversight Board.

II. REQUEST FOR PROPOSAL PROCEDURES

Costs incurred by the Successor Agency and/or the City in the implementation of these Disposition Procedures shall be treated as an Enforceable Obligation for purposes of the Recognized Obligation Payments Schedule ("ROPS") of the Successor Agency to be recovered from land sales proceeds. The City shall provide the Successor Agency an estimate of such costs at such times and in a form sufficient for the Successor Agency to include such costs on one or more ROPS, as appropriate. Included in such costs are: staff time in the performance of such duties; costs and fees of consultants, attorneys, appraisers, title insurers and escrow; costs and fees in connection with the disposition of property(ies), such as unpaid and outstanding tax liens or judgments and other costs incurred in order to deliver merchantable title. Where possible, the Successor Agency is to recover costs at the time of close of escrow.

A) INTENT AND PURPOSE

A Request for Proposals ("RFP") will be prepared by the Successor Agency and posted to the City's website, and/or sent to developers or parties that have requested such RFPs, and other developers or parties at the Successor Agency's discretion. The number of properties as to which an RFP is requested is subject to the discretion of the Successor Agency.

B) PROPOSAL SUBMITTAL

1. Interested parties may submit a development proposal by the deadline specified in the RFP or other announcement.
2. Proposal requirements may include, but not be limited to, the following:
 - a. The proposed total consideration for the property(ies) and information supporting the offer price;
 - b. Any proposed alterations to the terms and conditions of sale;
 - c. Construction and development pro forma, a detailed site plan, a business/operating plan, developer qualifications, experience and references, a narrative description of the market support for the proposed project, an operating pro forma, as applicable, and an explanation of the economic benefits of the proposed project to the City, other affected taxing agencies and the community;
 - d. The proposed uses are to conform to the requirements, intent, goals, and objectives of the City General Plan/Zoning Ordinance, other applicable development standards, and other applicable federal, state, and local laws, codes and regulations.
 - e. A statement that no financial assistance is being requested from any governmental agency in connection with the proposal, or a statement that financial assistance is being requested from a governmental agency in connection with the proposal, indicating the amount that will be requested, the anticipated timing for consideration of such request, and a description of any discretionary process required by the governmental agency from which assistance will be requested, together with an acknowledgment that conditioning a proposal upon receipt of assistance from a governmental agency may result in the rejection of such proposal;
3. Interested parties to provide such additional information as may be requested in good faith by Successor Agency.

4. Subsequent to review, applicants will be advised regarding the development proposals submitted complying with the requirements of the RFP or whether additional information is required.

C) PROPOSAL REVIEW

1. The Successor Agency will review all proposals received and determined by Successor Agency staff to be complete.
2. Among other things, the Successor Agency's review will consider the value of the asset in question being maximized as well as the proposal furthering the objectives of the Successor Agency's General Plan and not negatively impacting property interest of landowners holding property near the asset in question.
3. Nothing in these Procedures prohibits the Successor Agency or the City from requiring information that is in addition to the foregoing or obligates the Successor Agency in selecting any proposal. Neither the City nor the Successor Agency will bear any responsibility for the costs associated with preparing and submitting a proposal.

D) NEGOTIATING AGREEMENTS

The Successor Agency may enter into an Exclusive Right to Negotiate Agreement ("ERNA") with a selected project proponent. The purpose of the ERNA is to establish a time period during which the chosen applicant shall have the right to negotiate with the Successor Agency the terms and conditions of a sales and development contract. Therefore, a Disposition and Development Agreement may follow the ERNA if applicable.

E) ALTERNATIVE METHODS OF DISPOSITION

The City shall have a right of first refusal in connection with the purchase of property. In the event a submittal is received, such right of first refusal may be exercised by means of the City: (i) notifying the Oversight Board and the party which made an offer (in either order) of the City's intention to acquire the property for monetary consideration in an amount equal to or greater than that offered by the offering party, and (ii) obtaining confirmation of such purchase by the Oversight Board.

The City shall have an option to purchase property based upon values agreed to by the Oversight Board. The option may be exercised as to one or more properties at a time or times of the City's choosing.

If the City determines that it is infeasible to otherwise market and dispose of certain properties, the Successor Agency may auction such property or properties at a time or times consented to by the Oversight Board.

Exhibit B – Health & Safety Code

HSC § 34191.1, reads as follows:

The provisions of this chapter shall apply to a City upon that agency's receipt of a finding of completion by the Department of Finance pursuant to Section 34179.7.

HSC § 34191.3, reads as follows:

Notwithstanding Section 34191.1, the requirements specified in subdivision (e) of Section 34177 and subdivision (a) of Section 34181 shall be suspended, except as those provisions apply to the transfers for governmental use, until the Department of Finance has approved a long-range property management plan pursuant to subdivision (b) of Section 34191.5, at which point the plan shall govern, and supersede all other provisions relating to, the disposition and use of the real property assets of the former redevelopment agency. If the department has not approved a plan by January 1, 2015, subdivision (e) of Section 34177 and subdivision (a) of Section 34181 shall be operative with respect to that City.

HSC § 34191.4, reads as follows:

The following provisions shall apply to any City that has been issued a finding of completion by the Department of Finance:

- (a) All real property and interests in real property identified in subparagraph (C) of paragraph (5) of subdivision (c) of Section 34179.5 shall be transferred to the Community Redevelopment Property Trust Fund of the City upon approval by the Department of Finance of the long-range property management plan submitted by the City pursuant to subdivision (b) of Section 34191.7 unless that property is subject to the requirements of any existing enforceable obligation.
- (b) (1) Notwithstanding subdivision (d) of Section 34171, upon application by the City and approval by the oversight board, loan agreements entered into between the redevelopment agency and the city, county, or city and county that created by the redevelopment agency shall be deemed to be enforceable obligations provided that the oversight board makes a finding that the loan was for legitimate redevelopment purposes.

(2) If the oversight board finds that the loan is an enforceable obligation, the accumulated interest on the remaining principal amount of the loan shall be recalculated from origination at the interest rate earned by funds deposited into the Local Agency Investment Fund. The loan shall be repaid to the city, county, or city and county in accordance with a defined schedule over a reasonable term of years at an interest rate not to exceed the interest rate earned by funds deposited into the Local Agency Investment Fund. The annual loan repayments provided for in the recognized obligations payment schedules shall be subject to all of the following limitations:

(A) Loan repayments shall not be made prior to the 2013-14 fiscal year. Beginning in the 2013-14 fiscal year, the maximum repayment amount authorized each fiscal year for repayments made pursuant to this subdivision and paragraph (7) of subdivision (e) of Section 34176 combined shall be equal to one-half of the increase between the amount distributed to the taxing entities pursuant to paragraph (4) of subdivision (a) of Section 34183 in that fiscal year and the amount distributed to taxing entities pursuant to that paragraph in the 2012-13 base year. Loan or deferral repayments made pursuant to this subdivision shall be second in priority to amounts to be repaid pursuant to paragraph (7) of subdivision (e) of Section 34176.

(B) Repayments received by the city, county or city and county that formed the redevelopment agency shall first be used to retire any outstanding amounts borrowed and owed to the Low and Moderate Income Housing Fund of the former redevelopment agency for purposes of the Supplemental Educational Revenue Augmentation Fund and shall be distributed to the Low and Moderate Income Housing Asset Fund established by subdivision (d) of Section 34176.

(C) Twenty percent of any loan repayment shall be deducted from the loan repayment amount and shall be transferred to the Low

and Moderate Income Housing Asset Fund, after all outstanding loans from the Low and Moderate Income Housing Fund for purposes of the Supplemental Educational Revenue Augmentation Fund have been paid.

- (c) (1) Bond proceeds derived from bonds issued on or before December 31, 2010, shall be used for the purposes for which the bonds were sold.
- (2) (A) Notwithstanding Section 34177.3 or any other conflicting provision of law, bond proceeds in excess of the amounts needed to satisfy approved enforceable obligations shall thereafter be expended in a manner consistent with the original bond covenants. Enforceable obligations may be satisfied by the creation of reserves for projects that are the subject of the enforceable obligation and that are consistent with the contractual obligations for those projects, or by expending funds to complete the projects. An expenditure made pursuant to this paragraph shall constitute the creation of excess bond proceeds obligations to be paid from the excess proceeds. Excess bond proceeds obligations shall be listed separately on the Recognized Obligation Payment Schedule submitted by the City.

(B) If remaining bond proceeds cannot be spent in a manner consistent with the bond covenants pursuant to subparagraph (A), the proceeds shall be used to defease the bonds or to purchase those same outstanding bonds on the open market for cancellation

HSC § 34191.5, reads as follows:

- (a) There is hereby established a Community Redevelopment Property Trust Fund, administered by the City, to serve as the repository of the former redevelopment agency's real properties identified in subparagraph (C) of paragraph (5) of subdivision (c) of Section 34179.5.
- (b) The City shall prepare a long-range property management plan that Address the disposition and use of the real properties of the former redevelopment agency. The report shall be submitted to the oversight board and the Department of Finance for approval no later than six months following the issuance to the City of the finding of completion.

(c) The long-range property management plan shall do all of the following:

(1) Include an inventory of all properties in the trust. The inventory shall consist of all of the following information:

(A) The date of the acquisition of the property and the value of the property at that time, and an estimate of the current value of the property.

(B) The purpose for which the property was acquired.

(C) Parcel data, including address, lot size, and current zoning in the former agency redevelopment plan or specific, community, or general plan.

(D) An estimate of the current value of the parcel including, if available, any appraisal information.

(E) An estimate of any lease, rental, or any other revenues generated by the property, and a description of the contractual requirements for the disposition of those funds.

(F) The history of environmental contamination, including designation as a brownfield site, any related environmental studies, and history of any remediation efforts.

(G) A description of the property's potential for transit-oriented development and the advancement of the planning objectives of the City.

(H) A brief history of previous development proposals and activity, including the rental or lease of property.

(2) Address the use or disposition of all of the properties in the trust. Permissible uses include the retention of the property for governmental use pursuant to subdivision (a) of Section 34181, the retention of the property for future development, the sale of the property, or the use of the property to fulfill an enforceable obligation. The plan shall separately identify and list properties in the trust

dedicated to governmental use purposes and properties retained for purposes of fulfilling an enforceable obligation. With respect to the use or disposition of all other properties, all of the following shall apply:

(A) If the plan directs the use or liquidation of the property for a project identified in an approved redevelopment plan, the property shall transfer to the city, county, or city and county.

(B) If the plan directs the liquidation of the property or the use of revenues generated from the property, such as lease or parking

revenues, for any purpose other than to fulfill an enforceable obligation or other than that specified in subparagraph (A), the proceeds from the sale shall be distributed as property tax to the taxing entities.

(C) Property shall not be transferred to a City, city, county, or city and county, unless the long-range property management plan has been approved by the oversight board and the Department of Finance.

Note: HSC § 34191.2 does not exist and therefore is not included above.

DEPARTMENT OF
FINANCE

EDMUND G. BROWN JR. • GOVERNOR

915 L STREET ■ SACRAMENTO CA ■ 95814-3706 ■ WWW.DOF.CA.GOV

July 29, 2015

Mr. Cass Cook, Finance Director
City of Dinuba
405 East El Monte Way
Dinuba, CA 93618

Dear Mr. Cook:

Subject: Finding of Completion

The California Department of Finance (Finance) has completed the Finding of Completion for the City of Dinuba Successor Agency.

Finance has completed its review of your documentation, which may have included reviewing supporting documentation submitted to substantiate payment or obtaining confirmation from the county auditor-controller. Pursuant to Health and Safety Code (HSC) section 34179.7, we are pleased to inform you that Finance has verified that the Agency has made full payment of the amounts determined under HSC section 34179.6, subdivisions (d) or (e) and HSC section 34183.5.

This letter serves as notification that a Finding of Completion has been granted. The Agency may now do the following:

- Place loan agreements between the former redevelopment agency and sponsoring entity on the ROPS, as an enforceable obligation, provided the oversight board makes a finding that the loan was for legitimate redevelopment purposes per HSC section 34191.4 (b) (1). Loan repayments will be governed by criteria in HSC section 34191.4 (a) (2).
- Utilize proceeds derived from bonds issued prior to January 1, 2011 in a manner consistent with the original bond covenants per HSC section 34191.4 (c).

Additionally, the Agency is required to submit a Long-Range Property Management Plan to Finance for review and approval, per HSC section 34191.5 (b), within six months from the date of this letter.

Please direct inquiries to Derk Symons, Staff Finance Budget Analyst, or Chris Hill, Principal Program Budget Analyst, at (916) 445-1546.

Sincerely,

JUSTYN HOWARD
Program Budget Manager

Exhibit D – Resolution of the Successor Agency Board

RESOLUTION 2015 - 05

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF DINUBA IN ITS CAPACITY AS THE SUCCESSOR AGENCY TO THE REDEVELOPMENT AGENCY OF THE CITY OF DINUBA APPROVING THE LONG-RANGE PROPERTY MANAGEMENT PLAN PURSUANT TO CALIFORNIA HEALTH AND SAFETY CODE SECTION 34191.5 AND APPROVING CERTAIN RELATED ACTIONS

WHEREAS, the Redevelopment Agency of the City of Dinuba (the "Agency") was dissolved February 1, 2012; and

WHEREAS, consistent with the provisions of the California Health and Safety Code ("HSC"), the City Council elected to serve as the Successor Agency to the Redevelopment Agency of the City of Dinuba (the "Successor Agency"); and

WHEREAS, the Oversight Board to the Successor Agency to the Dinuba Redevelopment Agency (the "Oversight Board") has been established pursuant to HSC § 34179 to assist in the wind-down of the dissolved redevelopment agency; and

WHEREAS, on July 29, 2015, the Successor Agency received its Finding of Completion (the "FOC") from the California Department of Finance (the "DOF") pursuant to HSC §34179.7; and

WHEREAS, within six (6) months of the date of the FOC, HSC §34191.5 requires the Successor Agency to prepare a Long-Range Property Management Plan ("LRPMP") to address the disposition and use of the real property assets held by the Successor Agency; and

WHEREAS, in accordance with HSC §34191.5, the Successor Agency has prepared its LRPMP, which is attached as Exhibit "A" to this Resolution that identifies the disposition and uses of Successor Agency properties; and

WHEREAS, subject to approval by the Oversight Board for the Successor Agency to the Redevelopment Agency of the City of Dinuba, the LRPMP will be submitted to the DOF; and

WHEREAS, once the LRPMP has received approvals from the Oversight Board and the DOF, the Successor Agency may act upon its implementation; and

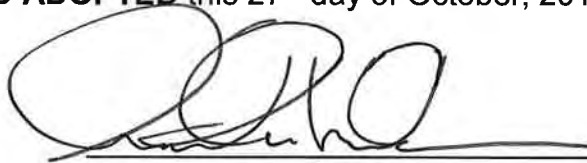

WHEREAS, consistent with the applicable provisions of the HSC, it is recommended that the Successor Agency approve the attached LRPMP; and

WHEREAS, all of the prerequisites with respect to the approval of this Resolution have been met.

NOW, THEREFORE, BE IT RESOLVED that the Successor Agency to the Redevelopment Agency of the City of Dinuba hereby finds, resolves, approves, determines, and directs as follows:

- Section 1.** The foregoing recitals are true and correct and are a substantive part of this Resolution.
- Section 2.** The Long-Range Property Management Plan attached to this Resolution as Exhibit "A" is hereby approved.
- Section 3.** Successor Agency staff is hereby authorized to transmit the Long-Range Property Management Plan to the Oversight Board for their review and consideration.
- Section 4.** Subsequent to the approval of the Long-Range Property Management Plan by the Oversight Board, Successor Agency staff are hereby authorized and directed to transmit the Long-Range Property Management Plan to the California Department of Finance and to take such actions and execute such documents as are necessary to implement the Long-Range Property Management Plan and to effectuate the intent of this Resolution.
- Section 5.** This Resolution shall take effect upon the date of its adoption.

PASSED, APPROVED AND ADOPTED this 27th day of October, 2015.
