

# NEW FOR 2020!

## PHARMACY COPAY SAVINGS WITH MAIL ORDER

With the 2020 Plan Year, when you use mail order for your 90-day medication fills, copays are lower than retail.

Your plan allows for a 90-day supply with three (3) refills – up to one year of medication refills – according to your physician’s instructions.

### 90-Day Prescriptions

Drug Type	Retail	Mail Order	Savings per Prescription
Generic	\$20	\$15	\$5
Formulary Brand	\$40	\$30	\$10
Non-Formulary Brand	\$60	\$50	\$10
