6. Approve the formation of the Assessment District and imposition of assessments.
7. Approve the agreement authorizing Smee Builders to collect the assessments for Fiscal Years 2007/2008 and 2008/2009 upon first conveyance of each lot.
8. Authorize the Chairman to sign agreement.

SUMMARY:

The Board of Supervisors has directed, in Board Resolution No. 2005-0519, that the

SUBJECT: Assessment District No. 07-792R-VISALIA

DATE: April 29, 2008

County will require the formation of an assessment district for the maintenance of new public roadways resulting from land division and land development activities. Planning Commission Resolution No. 8215 approving the Tentative Map for Subdivision Tract No. 792 required the formation of a road maintenance assessment district as a condition precedent to recordation of the Final Map for Subdivision Tract No. 792. The Subdivider (Smee Builders) has requested the County form an assessment district to pay for maintenance of the public streets and roadways serving Subdivision Tract No. 792.

Subdivision Tract No. 792 is a division of 93.85 acres into 320 residential lots to be constructed in four phases with Phase One consisting of 136 lots and one ponding lot located west of the intersection of Avenue 308 and Road 76, west of the City of Visalia.

Construction cost of the streets and roadway improvements will be borne by the Subdivider of Subdivision Tract No. 792. The cost of maintaining these improvements and administering this assessment district is proposed to be provided for by assessing the 136 residential lots within Phase One of this subdivision. The Benefit Assessment Act of 1982, Section 54703 et seq. of the Government Code, provides for the formation of assessment districts to fund the maintenance of the public streets and roadways.

On November 27, 2007, your Board adopted Resolution No. 2007-0792 initiating the proceedings to form Assessment District No. 07-792R-VISALIA to pay for the maintenance costs of new public streets and roadways for Subdivision Tract No. 792.

Smee Builders are the sole owners of property encompassing Subdivision Tract No. 792. As such, the Subdivider requests that the formation of this assessment district proceed without the normal public meeting and public hearing and proceed directly with the immediate formation and imposition of assessments by waiving the Subdivider's rights to such public meetings, hearings and noticing requirements. County Counsel has prepared the ballot waiving the public meeting, hearing including notice thereof and the associated resolution forming the assessment district and imposition of assessments.

FISCAL IMPACT/FINANCING:

All costs for the maintenance of the new public streets and roadways, assessment engineering and administration are proposed to be funded by the assessment district. No direct cost to the County will be incurred in the formation of this assessment district as the Subdivider has paid the \$1,848 fee for formation of the district. Based on the cost of providing these services, each of the 136 assessable lots within Subdivision Tract No. 792 would be assessed an equal amount, as estimated below.

SUBJECT: Assessment District No. 07-792R-VISALIA

DATE: April 29, 2008

Estimated annual costs to maintain these improvements and administer the assessment district for Fiscal Year 2007/2008 are as follows:

Type of Maintenance	Unit	Quantity	Annual Unit Cost	Estimated Annual Maint. Cycle	Annual Cost
Rejuvenating Agent:	Sq. Ft.	272,800	\$0.0180	5	\$613.80
Chip Seal	Sq. Ft.	272,800	\$0.1180	15	\$2,146.03
AC Overlay	Sq. Ft.	272,800	\$1.1930	30	\$10,848.35
District Administration	LS	1	\$400	Annual	\$400.00

Total Annual Assessment for Road Maintenance: \$14,008.18

of lots in district: 136

Per Lot Annual Road Maintenance Assessment: \$103.00

A Consumer Price Index (CPI) adjustment factor to cover inflationary costs, based on the increase in cost of goods and services as determined by the U. S. Department of Labor, Bureau of Labor Statistics, is recommended to be included in annual increases to each parcel's annual assessment and will not require an election and approval by the owners of the assessed lots.

LINKAGE TO THE COUNTY OF TULARE STRATEGIC BUSINESS PLAN:

The County's five-year strategic plan includes the Safety and Security initiative to provide for the safety and security of the public. The formation of this assessment district helps fulfill this initiative by ensuring and maintaining adequate roadways for the safety and protection of the public using the roadways in this subdivision.

SUBJECT: Assessment District No. 07-792R-VISALIA
DATE: April 29, 2008

ALTERNATIVES:

It is recommended that assessments be levied and collected at the full amount of the estimated costs; however, under Proposition 218 assessments could be levied at the full amount and collected at some lesser amount.

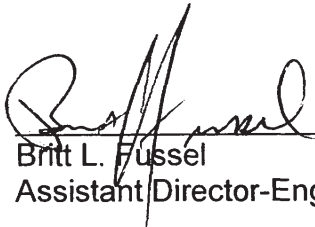

An alternative to formation of this assessment district to provide for public street and roadway maintenance may include requiring the Subdivider to form a homeowners association to provide for the maintenance of the public streets and roadways.

INVOLVEMENT OF OTHER DEPARTMENTS OR AGENCIES:

The Clerk of the Board is directed to file certified copies of the Proposed Boundaries Map with the County Recorder.

County Counsel assisted in preparing the various documents regarding these Assessment District formation procedures.
