The Central Valley Law Enforcement Competition started in the year 2020 with approximately 22 Law Enforcement agencies participating in daytime and nighttime events. The competitions designed to be very demanding on the physical and mental capabilities of each Explorer. Events are designed to test the strengths and limitations of a person's intelligence, personality, demeanor and physical abilities, as well as dedication and conviction to the Explorer Program. Explorers are given the opportunity to test their skills in real life situations including Felony Stops, DUI Stops, Vehicle Searches, Building Searches, and a Domestic Violence situation, just to name a few. These events will be held both in daylight and nighttime scenarios. The competition will test the Explorers physical abilities and teamwork through obstacle courses, relay races, and a tug of war. Mental abilities are tested through a variety of events including a Medical Scenario, a Law Enforcement Entry Level Written Exam and an Oral Board Panel.

Scholarships will be awarded to successful applicants and competition participants. Scholarship interviews will be conducted on the top ten qualifiers to determine who and in what order the scholarships will be awarded.
