

HOUSEHOLD HAZARDOUS UNIVERSAL WASTE DISPOSAL

Household Hazardous and Universal Waste Disposal is now available at three locations throughout Tulare County: Cutler, Porterville, and Visalia.

This program is free and is available for Tulare County Residents only.

For solutions for disposal of commercial hazardous materials, please contact:

Tulare County Environmental Health
624-7400

Tulare County Residents Only

HHW MOBILE EVENTS

The mobile events collect materials such as cleaners, adhesives, solvents, enamel paint, fertilizers, insecticides, etc., which are items not accepted at the Universal Waste Collection Facilities.

For information on Mobile Events, contact the County of Tulare Environmental Services at 624-7400.

FLUORESCENT BULBS & TUBES

Fluorescent Bulbs (no greater than 4 feet long) and Tubes are accepted at all three facilities. Store bulbs and tubes in an area and in a way that will prevent them from breaking.

Do not break or crush bulbs or tubes ...mercury may be released.

RESIDENTIAL ONLY

COLLECTION CENTERS

Cutler: 528.3909
Porterville: 782.7514
Visalia: 713.4531

SAFE DISPOSAL OF HAZARDOUS MATERIALS:

There are many effective and safe alternatives to hazardous household cleaners, such as baking soda, lemon juice, vinegar, and household ammonia. If a non-hazardous alternative is not available, please follow these guidelines when disposing of hazardous materials:

- Donate unused portions of hazardous products such as paint, fertilizer, or cleaners to a local community group, church, or neighbor who may have use for them.
- Do not place the unused hazardous material into your trash container or pour it down the drain.
- Tulare County residents take your hazardous materials to a FREE household

GUIDELINES

Please follow these guidelines:

- Do NOT mix products.
- Make sure all products are in original containers, sealed, labeled, and not leaking.
- Limit your load to 5 gals. or 50 lbs. per visit.
